AgilePM® Foundation Course

Based on the Agile Business Consortium's Agile Project Framework, AgilePM guidance offers a practical, scalable and repeatable methodology that achieves an ideal balance between the standards, rigor and visibility required for good project management, and the fast-pace, change and empowerment provided by Agile.

Who should attend?

AgilePM certification is aimed at aspiring and practicing project managers, and at team members wishing to adopt a flexible, collaborative approach to project management whilst maintaining or improving standards, quality and pace of delivery.

Course objectives:

The participant will learn the underpinning philosophy and principles of Agile as well as the lifecycle of an Agile project, including alternative configurations. The roles and responsibilities within an Agile project, the products produced and their purpose and finally the techniques used and their benefits and limitations during an Agile project.

Pre-requisites:

There are no prerequisites for the foundation examination.

Course content:

The understanding of Agile and an appropriate Agile approach. Agile philosophy, principles and project variables. Setting up for success. The DSDM process, roles and responsibilities and products. Key practices, including prioritisation and timeboxing. Planning and control throughout the lifecycle. Other practices such as facilitated workshops, modelling and iterative development.

Duration and delivery:

The course is delivered face-to-face over 3 days with the Foundation Examination being held on the third day.

Materials Provided:

The course fee includes the course delivered by APMG accredited trainers, an AgilePM manual, comprehensive course notes, group exercises, practice Foundation and Practitioner examination papers (as appropriate), examination fees and full catering. There is nothing further to pay.

Foundation Certificate:

The Foundation Level Qualifications involves a 40 minute closed book multiple choice examination. 25 marks required to pass (out of 50 available) - 50%.
